

## AORN Journal

### index of articles published in 1996

#### AORN Journal

#### Index to Volumes 63-64 January-December 1996

**T**his index is divided into two sections: the Name Section and the Subject Section. The Name Section includes author(s), joint author(s), and individuals about whom articles are written—in which case the names are in parentheses.

Articles appear under one or more subjects in the Subject Section. AORN recommended practices appear under the appropriate subject(s), under AORN, and under Practice Guidelines. Subject headings are taken from the Cumulative Index to Nursing and Allied Health Literature.
